

“Great folks, great time, great venue. First class all the way. Thanks, as always, to the AMG team and family for allowing us to participate. A very productive event.”

The highlight was, as it has always been, to deepen friendships among the AMG producers and staff. While we maintain a healthy business relationship, I value the opportunity to deepen those to personal relationships.

The Banner/LGA Dinner at Isa's Bistro was fun and a great opportunity to build relationships while sharing business ideas.
