

PRODUCT UPDATE

Important Information for Life Insurance Producers and Agency Staff

Everything Insurance Should Be®

What – We’ve replaced LifeSetter UL with the new, more flexible LifeSetter *Flex* UL

Highlights – With the new LifeSetter *Flex* UL, you can offer your clients flexibility and guarantees in one, customizable policy.

Tailor LifeSetter *Flex* to choose:

- Single, limited or level pay options
- Dial-a-Guarantee death benefit
- Unlimited catch-up periods
- Premiums that are payable to age 100, with coverage continuing to age 121

Rate considerations:

- Updated rates reflect 2017 mortality rates and the new Principle-Based Reserving required of all carriers by the end of 2019.
- Rates are based on actual age instead of nearest age.
- Rate class names are updated to be consistent with all other Cincinnati Life insurance products:

Previous Rate Class Name	Updated Rate Class Name
Super Select Plus	Preferred Plus
Select Plus	Preferred
Select	Standard Plus
Ultra Standard	Standard Nonsmoker
Preferred Standard	Preferred Smoker
Standard	Standard Smoker
